bye bye dayna bye bye

what else are best friends for?

So I was still in shock that these two girls were undressing right in front of me. They did not care and said, 'So what we're best friends.' I didn't mind at all. Now Jackie was in nothing but a pink lace bra with matching panties and trying to find a sleep shirt to put on and some pajama pants. Then I notice Annabella removing her shirt as well. She had on a nice sexy black bra with matching panties also.

I could feel my cock wanting to burst out of my jeans. Then Annabella finds a sleep shirt to put on and just keeps her panties on. So after this we are all sitting around talking and Jackie asks me about Dayna and I don't really say much but we were still dating at the time. I then get a phone call from a buddy that was at the party we were at before and asks if we are coming back. I told him they didn't want to. They had already started drinking and that Annabella wants him to come to where we are. He says 'Ok.'

So I leave to go meet him and tell him to follow me because he doesn't know where the place is. Once we arrive back, I tell him the girls are already about drunk. We walk into the camper and they are still drinking and having fun. So we all four sit and talk for a maybe and hour or so. Then Terry decides he needs to leave. So he walks out to his truck and Annabella goes with him. They talked for another couple of minutes.

Once Annabella returns to the camper she goes and jumps on the bed and covers her head with a pillow and starts screaming. Jackie ask what's wrong? Annabella says she is sad. "Why are you sad Annabella?" She said "Because I kissed Terry." Jackie asks "Why are you sad then?" And Annabella states "Because I wanted to fuck him."

But now Terry has already left. So we bring Annabella back to the kitchen table where we were. We talk for a few more minutes and Jackie comes to sit on my lap on the couch. I didn't think anything about it because there was a load of laundry on the other side of the couch. So she sits on my lap facing me straddling my legs. We continue to talk and Jackie is texting on her phone. She's already tipsy. But then she drops her phone to the floor behind her. As she reaches back to get it she falls backwards. So I go

a try to catch her so she doesn't hit her head.

Once I do, the next thing I know is that I'm on top of her and she just laughs cause she fell and we are looking at each other and just start kissing. I never would have thought I would be kissing my best friend. Annabella is still at the table and can't believe her eyes and is in shock just like me. She said, almost to a scream, "What are y'all doing!?" We didn't stop kissing for a couple of minutes. After that I picked up Jackie and carried her to the bed. Once there it was on to more kissing.

My cock was already hard as a rock at this point. I ran my hand up Jackie's shirt feeling her nice toned body and her perky boobs, squeezing her small nipples. This went on for a couple of minutes and she said, "Well what about Dayna?" I said "I don't care. I'm tired of Dayna." Jackie said "What if she finds out." I simply said that I'm not going to tell her. And remember that Jackie and Dayna are next door neighbors. Anyway, we start back to kissing and I remove Jackie's shirt. Then she starts to undo my jeans, pulling them down and my hard cock springs out hitting her right on the face.

Annabella is still in the kitchen at this point and Jackie tells her to come in here. She didn't want to at first but I guess she could hear what was going on a decided to come in. Jackie then starts stroking my hard dick and kissing and licking it. She

opens her mouth wide and shoves my cock down her throat. She is gagging on my cock, and stroking it, and she sucks it. I reach around and pull her pants down below her as and feel her pussy. She starts to get wet as I slide my fingers in and out of her tight pussy. I then see Annabella walk up the steps in her tshirt and panties. She stands and watches and I can see her getting restless, and a little bit horny.

She slowly runs her hand up and down her body feeling her breasts and down her panties rubbing her pussy as Jackie deep throats my cock. I then pull Jackie up and lay her on her back. I remove her pants the rest of the way along with her panties to reveal her soaking wet shaved pussy. Annabella then joins us on the bed and starts rubbing Jackie's body. I remove Annabella's shirt and bra to reveal her sweet suckable titties. Annabella then removes Jackie's bra and Jackie's takes Annabella's panties off of her.

I am now in bed with my two best female friends who are completely naked. I still couldn't believe it. I've always been attracted to both of them but knew we were too close of friends to ever do anything. But I digress...

I spread Jackie's legs And get between them and kiss her again. She then pulls Annabella in also and we are all three kissing each other. I then begin to move down

on her. I start kissing her neck and ears and slowly move to her chest and tease her nipples then move to her stomach until my face is to her pussy. Her pussy is soaking wet and smells so sweet .

I begin softly licking her slit feeling her wetness and tasting her juices. As I look up I see Annabella about to sit on Jackie's face. Annabella's squats down and puts her pussy on Jackie's face who then begins licking her. This is so hot. Annabella is facing me getting her pussy eaten by Jackie as I am eating Jackie's pussy. I bury my head into Jackie, licking her clit and shoving my tongue into her fuck hole. As I go deeper, she goes deeper into Annabella and I can hear Annabella screaming and moaning. Annabella grabs my head and shoves it into Jackie cause she knows Jackie will then do the same to her.

As I'm licking her clit, I can feel Jackie cumming. She hollers and then bends Annabella over farther so they are in a sexy sixty-nine now. I sat up and watched for a minute as they eat each other out. I'm hard as a rock still. I then move to put my cock in Annabella's face she begins to suck it and deep throat it like Jackie was doing earlier. She then grabs my cock and puts the head at Jackie's moist pussy. She guides it in for me.

Jackie lets out a loud moan. I can feel her pussy juices flowing over my cock. Annabella gets off and starts kissing Jackie. I'm still

pounding Jackie hard and deep. She's so wet. She's moaning so loud and Annabella is sucking her boobs now. As I'm pounding Jackie's pussy, I feel her body tensing up. Annabella starts to kiss me while I bang our best friend. I pump a few more times and Jackie lets loose screaming, I'm cumming, I'm cumming, I'm cumming.

I can feel her cumming on my cock. I give her a break and bent Annabella over on all fours. I get behind her and slowly put my cock in giving her a tease as she lets out a soft moan. I pick up the pace and start pounding her sweet young pussy. Jackie sits up and kisses Annabella and then kisses me and tells me to pound her best friend harder. I do just that...

Jackie then pulls my cock out and sucks Annabella's wetness off of it. She grabs my cock and puts it back in. Annabella and I start pounding again. Jackie gets behind me and pushes me into Annabella hard and deep. Before I knew it, Annabella's squirting all over my cock screaming my name. I pull out and Jackie rubs Annabella's clit until another gush of wetness comes shooting out all over Jackie's face. I then kiss Jackie licking Annabella's juices off her face.

At this time I can feel my balls getting tighter and I'm about to

blow. The girls lay me down and Jackie stands above me and squats down on my cock. She takes my cock in her hand and guides it into her pussy. She takes control and rides my cock like the freak she is taking every inch of it all the way to my balls. I grab Annabella and tell her to sit in my face. She squats down and I start working my tongue into her pussy and her clit.

I can feel her tensing again and Annabella squirts a load on my face and I bury my face in her deeper taking every bit of it. Jackie is still taking control of my cock going faster and faster until she hollers out she is cumming again. At this time I knew I couldn't take it any longer as Annabella just came on my face and Jackie on my cock. I felt it tense up and said I'm about to come. They both told me to come in her pussy – every drop.

So I did just that. Jackie went up and down a few more strokes and that's all I needed. I let loose shot after shot of cum deep inside Jackie's pussy. She had drained me. With Annabella still on my face Jackie slowly removed my cock and leaned back. Annabella leaned forward and licked the cum off my cock and from Jackie's pussy.

This was one of the best times I ever had with my two best friends and the only time this happened. After this I broke up with Dayna cause, it turns out, she was boring. I still to this day don't know if she ever knew about this. But oh well!

B08-BLAIR

LISA & ALEX

Lisa and Alex finally got some time alone. Their school days were full of studies and exams and now they had some time for each other and took advantage of it. She starts by giving her man an amazing blow job and then smothers his face with her wet pussy. It's not long before his cock is thrusting into her pussy and, finally, spending the day inside Lisa's extremely tight ass hole.

MY ASS IS A MAJOR EROGENOUS ZONE **888-597-2739** MUST BE 18 TO CALL

When a relationship has lost its vigor and libido, it's time to find a way to spice it up. This is one way...

expect the unexpected

She walked into the hotel bar, unsure why she had come. The note she had received just said to go to the hotel bar, wearing this dress with this bra and panty set both found in a box with the note. She was excited and uncertain as to what to expect or whom had sent the gifts and note. She slid up to the bar and ordered a drink to steady herself, having never done this before.

Just a little ways down the bar he watched her walk into the bar with a subtle sway to her hips. The long black dress with the back so low cut you could see the top of her nicely curved buttocks, her thong just barely peeking out the top of the scoop. Her back was long and slender, her shoulders so exquisitely shaped. The dress flattered her figure perfectly; just tight enough to show her firm young breasts, slender waist and the nicely formed curve of her hips. Her legs were long and seemed to go on forever, all leading down to her stiletto shoes with their gold heals.

He knew that gown would be the perfect one. He had known it from the first time she had walked into his office asking him for his company's services. He was more than willing to do this one himself. He knew she was expecting someone she had never met but he just could not let this one out of his thoughts. So here he sat eyeing this woman, and he was going to personally see to it that she was given

the attention she deserved. He called the bartender over and asked him to pass the young woman at the end of the bar a note and a key. Then he got up and left the bar.

She sat there staring at the note and the key unsure if she should go through with it. Her friend had said that this service had saved her relationship as she no longer had the need to beg for sex. She just went to this agency and they set it up, discreet encounters, no strings attached, and with men who were clean tested on a regular basis and always used protection. But was it really worth it. If her man found out, she knew it would cause problems, but he had not shown her any form of intimacy in nearly a year. Was she really going to do this. She had paid for this, but was she really ready. Was it to late? She finished her drink and thought I have come this far, I might as well get it done with. She picked up the key in her hand and headed towards the bar's exit.

As she rode up the elevator to the floor, her mind raced, should she – shouldn't she. Her nerves were written all over her face as she chewed on her bottom lip. Again she thought of her man and what he would think or do if he knew what she was about to do. She stepped off the elevator, then walked down the hall to the room slowly. As she approached the door, she felt the urge to run, but she fought

it – and taking a deep breath placed the key in the lock and opened the door.

He was sitting in the room, waiting and wondering if she would show. His heart pounding in his chest. He slipped the mask over his head and adjusted the eye holes so he could see clearly, and just in time too as he heard the key turn in the lock and she walked in. She was stunning and he was so ready for this night it had been a long time since he had held a woman this lovely in his arms. He was going to enjoy this night. He poured a glass of wine from the bottle chilling in the ice bucket and handed it to her. He watched her as she took the glass, She was nervous. He could tell by the way she was biting her lip, and it excited him he could feel his loins starting to tingle.

She started to feel a little dizzy but she had only had two glasses of wine. Not enough to truly be drunk so why did she feel like she did. This mystery man in his mask, his eyes all she could see of his face. There was something about them, something she thought was very familiar but she could not put her finger on it. She sat in a chair by the bed and put her wine glass on the nights stand. She felt strangely calm and not too tipsy. His voice and soft conversation was mesmerizing. He knew that it had worked this far. She moaned as he

he lets his hands trace the outline of her breasts before he reaches up under her dress to find her undies damp and turned on. This was all he needed to know. He reached into his bag and pulled out a small vibrator and turned it on low and slowly traced it along her cleavage. She moaned softly and a visible shiver went down her body. He saw this and knew what she wanted but he wasn't ready to give her that yet. He reached up and undid her dress top letting it pool around her waist revealing the black lacy bra with little bits of red ribbon running through the lace. He took the vibrator and traced the outline of the bra running it along the top first then along the sides and underneath. She moans with pleasure and fear.

He knows what to do next running the vibrator over her bra to find her nipples, watching how they became harder underneath the thin lace of her bra and watching her eyes get big with pleasure as she moaned even louder and starts shaking her head. He slips her bra off and brings his mouth to her nipple, pulling it into his mouth and sucking first gently then roughly. Taking the vibrator, he traces up her leg slowly inching his way to the wet spot he knows is starting to grow bigger. He stops just short and she moans for him to keep going. He slowly traces the outline of her

came over and started to massage her breasts through her dress, slowly kissing her neck. He lowered himself between her legs so he is face to face with her. Her eyes are big and round, but this is what she asked for and this is what he will give her.

The next thing is the feel of lips kissing her neck and cheeks and hands massaging her breasts. She is slowly becoming more aroused. She can feel the heat from his breath on her skin, his hands are skillful on her breasts and his eyes so green she can tell this is turning him on as well.

Enough of this tender touching, its time to get serious

lower lips with the vibrator not touching the one spot he knows she really wants him to. He is teasing her running the vibe over her pussy lips staying away from her clit purposely avoiding it as she squirmed and lifted her hips to the motion he was using.

Finally he caved in and moved the vibe over her clit to louder moans and he could feel her cum run over his hand. Her moans filled his ears. He stood up and removed his pants to reveal his throbbing manhood to her. She started shaking her head; the tears running down her face. He wanted her so bad but knew he had to do it slowly. .

He braced himself on the edge of the chair so that his cock was at the right level for what he needed next – her mouth. He grabbed her head and brought it towards his cock. She feigned resistance. He had to have her lips around his cock. The softness of her mouth made him shudder. He pushed deeper into her mouth as her lips covered his shaft all the way to the base. He could feel his balls on her chin. She started moving her head back and forth on his shaft slowly at first enjoying the feel of her mouth on his man-

know her body as well as she did. Then he had kissed her the way he used to and she moaned his name. He pulled away. She had removed his mask. She gasped in awe the man she had promised to love was standing in front of her. He knew what she had come here to do and he was looking at her with love not anger. She had been planning to betray him and he wasn't mad. He leaned down and kissed her again this time lightly moving from her lips to her neck then to her ear and whispered, "I'm so sorry. I love you. I missed

hood, then gaining in speed. He could hear her moaning and let one of his own out he had to stop or he was going to cum and that is not what he wanted just yet.

He pulled out of her mouth and she gasped for air. He backed away from her and offered his arm and led her to the bed. Before she got on it, he pulled her dress off revealing her black lace panties and a beautiful shimmering body illuminated by the dim light on the other side of the room. He smiled as he watched her eyes grow big. She moaned as he laid her on the bed face down. He reached over and grabbed her panties and slowly lowered them over her buttocks leaving her womanhood bare to his eyes. He nudged her legs apart and rubbed his cock against her pussy teasing her – and himself. She moaned from pleasure as she unexpectedly came soaking his manhood with her juices.

It was time he entered her. She felt so warm and wet and ready for him. His cock filled her opening as he moved in and out, slowly at first and picking up speed as his passion increased. He could take no more and came just as she did. He pulled out and turned her on the bed to face him. She was flushed and he could not help pressing his lips to hers, kissing her hungrily. He reached up and removed his mask it was time for her to see him.

He had made her cum like she hadn't in so long just the way her man had when they had first met. He seemed to

With her mouth still focused on his nipple, she slid a hand down his chest, past his rising cock and grabbed his balls.

this with you. Please for give me." She started crying "I love you too and I miss you too. Please come home." They lay on the bed in each others arms for several minutes before she rolls over on top of him and begins to kiss his neck. She slides down his chest and begins to nibble at one of his nipples, pinching the other one at the same time. This tingled and he felt his cock stir. With her mouth still focused on his nipple, she slid a hand down his chest, past his rising cock and grabbed his balls.

Slowly she worked her way down his chest with her mouth until she reached his cockhead. Flicking her tongue few times at the tip, she then opened wide and took the whole thing in as deep as she could. Sliding one hand under the small of his waist, she reaches and cups his one buttock an, and his other buttock with her free hand. This allows her to put his cock deeper into her mouth and she pushes her mouth down until his entire cock had disappeared into her mouth. The warmth of her mouth pleases him as does her tongue swirling around the tip inside of it.

Bobbing her head on his cock, her rhythm is coaxing another load from him. He closes his eyes and lets it happen. Tensing his buttcheeks and his nutsack, he explodes another warm rope of man juice deep into her throat. Sitting up after that to swallow, not a drop has slipped out of her mouth. Not a drop!

TATIANA & ROCK

I've always been very experimental sexually. The Kama Sutra has been my guidebook and I think I'm about half way through it, and even done some things not in the book. What wasn't around when it was written – the camera, and it's especially fun because I get to be the center of attention, and what girl doesn't want that!
